Please set out below a (very short) bio, a brief summary of your reasons for wishing to be elected to the National Committee and describe what you believe you are able to contribute.

If you are nominating for an ordinary member position please outline your experience or expertise in the subcommittee area chosen. Please also outline briefly your plans for the year ahead as chair of the subcommittee:

I have been a member of the national committee of ALHR since about 2011 firstly as a state co-convenor and then as Secretary and Vice-president. I am the current President of the Association having been elected at the 2014 AGM.

I have represented ALHR in the media and at Parliamentary Committees and contribute to ALHR's work on a daily basis. I have implemented with the National Committee a number of structural reforms in relation to the Committee and the Association such as subject specific subcommittees, paid membership, the La Trobe secretariat and the set up and use of our new website.

Some of the above reforms are ongoing and near to final implementation. My goal for the next year is to see these reforms fully implemented providing a strong foundation for ALHR's future.

If you have any queries about the roles and responsibilities of office bearers and committee members, contact the current ALHR executive on
