Please set out below a short bio, a brief summary of your reasons for wishing to be elected to the Executive Management Committee and describe what you believe you are able to contribute by reference to the relevant position description:

I nominate again for the position of ordinary member of the Executive Management Committee of Australian Lawyers for Human Rights because I am a firm believer in the organisation's philosophy, mission and values. I want to see ALHR prosper with growing membership, an effective national committee, and campaigns that reach all areas of society to inform Australian society on human rights matters impacted by laws made by federal, state and territory parliaments.

I am able to contribute the following if I am elected to the Executive Management Committee:

1. Extensive knowledge of ALHR's internal operations and governance procedures;
2. Extensive experience in domestic human rights advocacy and campaigning;
3. Extensive experience operating NGOs and following constitutional processes and rules;
4. Good relationships with existing ALHR leaders;
5. A commitment to responsive voting on important matters and facilitating executive decision-making to give effect to organisational work;
6. Experience running ALHR events and workshops including in relation to the Foreign Influence Transparency Scheme;
7. Experience coordinating LGBTI campaigns;
8. Experience responding to media requests for comment on ALHR matters;
9. Experience writing opinion pieces on legal matters for Fairfax;
10. Experience responding to call for contribution to ALHR documents from colleagues on the National Committee;
11. Experience contributing to organisational strategy; and
12. Experience contributing to ALHR fundraising events.
